#### FROM THE PASTOR'S DESK: "VOCATIONS"

*We invite you to remember in your prayers the intention for an increase in vocations to the priesthood and religious life. It is important for each of us to live our own vocation joyfully and faithfully. All the baptized are called to follow Jesus and to serve in some way. The witness of a dedicated parent, loving spouse, caring friend or faithful priest can lead others to hear God's voice calling them personally. In the act of praying for vocations we place our trust in God and see that God is already at work in ways we do not even recognize. This prayer opens us up to the voice of God calling and guiding us in our lives. Often it takes a personal invite to encourage someone to take on a new responsibility. Many who serve in our parishes in various ministries were first asked by their pastor or fellow parishioner. Also, many of our priests and seminarians were invited and encouraged by someone who recognized that they had the gifts and qualities that would make them good priests.*

*A little boy opened the big old family Bible with fascination. He was looking at the old pages as he turned them and something fell out of the Bible. He picked it up and looked at it closely.
