**OFFERTORY GIFTS**

I am grateful to those parishioners who are willing to bring forth the Offertory Gifts on behalf of all those assembled at Mass. I would like to remind you that once the Altar Server comes to the gift table please line up ready for the procession and move forward once the priest comes to the front of the altar. If there is no cross-bearer then once the ushers have passed the gift table please line up ready. This provides for a good flow of the liturgy.

**CONGRATULATIONS STUDENTS**

I wish to extend congratulations to all students who are graduating this year and hope all staff and students enjoy a safe and happy summer vacation.

**FROM THE PASTOR'S DESK: "EUCCHARISTIC SPIRITUALITY"**

*It is important that the Eucharist be understood not only in the aspects of its celebration, but also as a life-project and that it be the base of an authentic "Eucharistic Spirituality." Precisely because it is the heart of Christian life, the Eucharist does not finish within the Church walls, but needs to enter into the lives of those who participate in it. The sacrament of the Body and Blood of Christ is gratuitously given for the building up of the Body of Christ, which is the church. The Eucharistic dispositions in which we are educated in the celebration of the Mass should be cultivated in the spiritual life, keeping in mind each person's particular vocation and state of life.*

*To participate in the Eucharist means to listen to the Lord so as to act in accordance with what He reveals to us, asks of us and desires of our lives. Attentiveness to the Word spoken is at the beginning of the spiritual life. To believe in Christ is to listen to His word and put it into practice. It is docility to the voice of the Holy Spirit, the interior Master who guides us to the whole truth - not only to the truth to be known, but also to the truth to be lived out. In order to truly listen to the Lord in the Liturgy of the Word, we need to learn how to "listen with the heart"... it is convenient to find ways to prolong the hearing of God's word, which He speaks to us in a thousand different ways through the circumstances of daily life, throughout the day.*

**CANADA DAY**

July 1<sup>st</sup> is celebrated as Canada's birthday. Canadians should seek to be witnesses to Christ in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes, Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and throughout the world, so that all God's people may share in the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions. Mass will be celebrated Friday, July 1<sup>st</sup> at 9:00a.m. and the parish office will be closed.

*During a blistering hot July day, a family was entertaining guests for dinner. When all were seated, the father of the house turned to his six year old son and asked him to say grace. The little boy protested that he did not know what to say. His mother chimed in, "Just say what you heard me say." Obediently he bowed his head and said, "O Lord, why did I invite these people here on a hot day like this!"*
