FROM THE PASTOR'S DESK:

Wednesday, May 12th is Canada Health Day and is celebrated by workers in thousands of health care facilities and community services across the country. As baptized Christians we are called to take responsibility for our personal health; to prevent illness and to seek a healthy lifestyle. Health means concern for the health of our communities, respect for God's creatures and the nurturing of the whole earth. We are prompted by the love of Jesus to become channels of healing for those who suffer and who are sick.

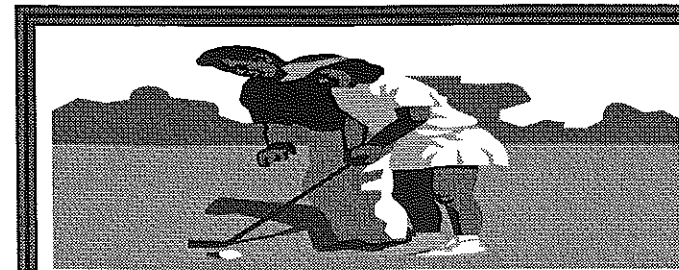

Today we wish to extend our prayers and best wishes to all mothers in our parish community for the example of their love and devotion to their families. May all deceased mothers be rewarded generously by God. May the blessings and love of Our Lord and His Blessed Mother Mary be with all mothers, today and always.

Next weekend is the Annual Collection for the Pope's Pastoral Works. A disastrous flood or earthquake strikes a nation at the other end of the world. Immediately many countries rush in food, medicine, blankets, money and trained people. Prominent among such aid is the financial help offered by the Holy Father to people in need. In the name of Catholics everywhere, he displays Christ's love and compassion for those who suffer. Canada has been consistent in giving such funds to the Holy See enabling the Pope to be even more generous in times of disaster. We invite your financial support.

SUNDAY SMILE!

While driving in Pennsylvania a family caught up to an Amish carriage. The owner of the carriage obviously had a sense of humour, because attached to the back of the carriage was a hand printed sign: "Energy efficient vehicle; runs on oats and grass; caution: do not step in exhaust!"
