PARISH NEWS

BISHOPS COLLECTION FOR NEEDS OF THE CHURCH OF CANADA

Today a special collection is held in parish communities across the country to support the pastoral work of the Bishops nationally and internationally. Known as the Bishops' Collection for the Needs of the Church in Canada, this collection helps dioceses pay their annual contribution to the Canadian Conference of Catholic Bishops (CCCB). Founded more than 65 years ago, the CCCB is the assembly of all the Bishops of Canada including those of the Eastern Catholic Churches. In addition to assisting in consultations with the Holy Father and the various departments of the Holy See, the CCCB works in close partnership with other Episcopal Conferences around the world and in particular with those in the Americas. Through the work of its commissions and committees, it is involved in the issues that affect the life of the Church today and shape society. The Bishops of Canada wish to thank you in advance for your generosity.

SUNDAY SMILE!

A minister parked his car in a no-parking zone in a large city because he was short of time and could not find a space with a meter. Then he put a note under the windshield wiper that read, "I have circled the block 10 times. If I don't park here, I'll miss my appointment. Forgive us our trespasses." When he returned he found a citation from police officer Jeff along with this note, "I've circled this block for 10 years. If I don't give you a ticket, I'll lose my job. Lead us not into temptation."
